

Igreja Cristã Evangélica Riviera - Igreja Contagiante

tom:

Intro: G Cadd9

Estava perdido e o senhor me encontrou

Fui consumido pelo teu grandioso amor

Me resgatou das trevas para a luz

Hoje sou livre pelo sangue de Jesus

Eu pulo de alegria

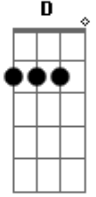

Dou brados de louvor

Foi o seu amor na cruz que me salvou

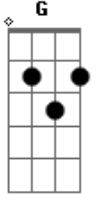

Eu grito gloria a deus e vou contagiar

A todos por onde eu passar
