

# Iguinho e Lulinha - Lua (part. Arthur e Allancid)

tom: Dm

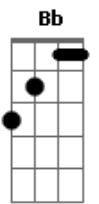

A Lua com certeza está de prova  
 Das noites em claro que vivi sem você  
 O vento traz seu cheiro toda hora  
 Assim fica difícil te esquecer  
 Se a Lua soubesse falar  
 Queria que ela fizesse um favor pra mim

Te encontrar e te contar  
 O quanto que eu sofri quando te perdi  
 Lua, o Lua, diz pra ela que estou aqui  
 Chorando esperando ela voltar  
 Lua, o Lua, diz pra ela que estou aqui  
 Chorando esperando ela voltar, pra mim  
 Esperando ela voltar, pra mim
