

Ike and Tina Turner - A Fool In Love

Tom: **G**

G

You're just a fool, you know you're in love
You've got to face it to live in this world

C

You take the good along with the bad

Sometimes you're happy and sometimes you're sad

D **C**

You know you love him, you can't understand

G
Why he treats you like he do when he's such a good man

G
He's got me smiling when I should be ashamed
Got me laughing when my heart is in pain
Oh no, I must be a fool
Cause I do anything you ask me to

You're just a fool, you know you're in love
You've got to face it to live in this world

C

You take the good along with the bad

Sometimes you're happy and sometimes you're sad

D **C**

You know you love him, you can't understand

G
Why he treats you like he do when he's such a good man

G
Without my man I don't wanna live

You think I'm lying but I'm telling you like it is
He's got my nose open and that's no lie
And I, I'm gonna keep him satisfied

G

You're just a fool, you know you're in love
You've got to face it to live in this world

C

You take the good along with the bad

Sometimes you're happy and sometimes you're sad

D **C**

You know you love him, you can't understand
Why he treats you like he do when he's such a good man

G
A wave of action speaks louder than words
The truest thing that I ever heard
I trust my man and all that he do
And I, and I do anything you ask me to

G

You're just a fool, you know you're in love
You've got to face it to live in this world

C

You take the good along with the bad

Sometimes you're happy and sometimes you're sad

D **C**

You know you love him, you can't understand

G
Why he treats you like he do when he's such a good man
