

Illenium - With You (feat. Quinn XCII)

Tom: C

Am You hate when my head G
Am Hangs low after all
G These things you said
Am Trust it's not your fault
G Can?t expect you to understand
Am Take it back to when it began
G Had I just followed all my plans
Am I wouldn?t have ended up so lost
Am Now we?re both so off
Am And I?m still the one to blame
Am Can?t say we?ll stay the same
Am Can?t say we?ll stay the same
 Baby, baby stay here
 I need some time to clear my mind
 We both know it?s a problem
 When you call me all the time
 And I?ll say

I may just need a little bit longer, yeah
 I may just need you to be stronger
 If I?m not there with you
 If I?m not there with you
 I can?t hold this fight in anymore
 If I?m not there with you
 I can?t hold this fight in anymore
 Baby, baby stay here
 I need some time to clear my mind
 We both know it?s a problem
 When you call me all the time
 And I?ll say
 I may just need a little bit longer, yeah
 I may just need you to be stronger
 If I?m not there with you
 If I?m not there with you
 If I?m not there with you
 If I?m not there with you
 If I?m not there with you
