

Imad Royal - Bad 4 U

Tom: G

Ay mamacita, I'm pleased to meet ya
 I know I'm only 5 foot 8 but please believe ya
 Boy gon' put it down, down
 Down, down, down, down, down, down
 Hey mamacita, my deepest fear
 Is wasting time on all those girls that isn't real
 But I keep 'em round, round
 Round, round, round, round, round, round

You know I got it bad, bad, bad, bad
 Bad, bad, bad for you
 You know I got it bad, bad, bad, bad
 Bad, bad, bad for you

I like 'em tall, I like 'em smart
 I like 'em all, it breaks my heart
 I don't say eenie meenie miney mo
 Found the one, can't let her go
 And she's my little angel
 Her halo made of mistletoe
 And careful cause she's dangerous
 Keeps strings on me, Pinocchio
 It's bad, bad, for you, for you
 Bad, bad, for you, for you
 Someone call my mother
 Call the priest or call a lawyer
 Everybody in attendance
 I do, I say it for ya
 Cause one thing that I know

I got it bad, bad for ya
 Ay mamacita, I'm pleased to meet ya
 I like the way you walk and talk
 and all your features
 You got that smile, don't need no reason
 I got it bad for you, girl,
 I think I need ya

You know I got it bad, bad, bad, bad
 Bad, bad, bad for you
 You know I got it bad, bad, bad, bad
 Bad, bad, bad for you

Ay mamacita, I'm pleased to meet ya
 I know I'm only 5 foot 8 but please believe ya
 Boy gon' put it down, down
 Down, down, down, down, down, down
 Hey mamacita, my deepest fear
 Is wasting time on all those girls that isn't real
 But I keep 'em round, round
 Round, round, round, round, round, round

You know I got it bad, bad, bad, bad
 Bad, bad, bad for you
 You know I got it bad, bad, bad, bad
 Bad, bad, bad for you
 You know I got it bad, bad, bad, bad
 Bad, bad, bad for you
 You know I got it bad, bad, bad, bad
 Bad, bad, bad for you
 You know I got it bad, bad, bad, bad
 Bad, bad, bad for you
