Imad Royal - Bad 4 U

Tom: G

```
          G                        Em
Ay mamacita, I'm pleased to meet ya
                       Am
I know I'm only 5 foot 8 but please
   D
believe ya
                G
Boy gon' put it down, down
     Em                    Am   D
Down, down, down, down, down, down
          G            Em
Hey mamacita, my deepest fear
         Am
Is wasting time on all those girls
       D
that isn't real
                 G
But I keep 'em round, round
        Em                        Am     D
Round, round, round, round, round, round

                  G
You know I got it bad, bad, bad, bad
Em              Am   D
Bad, bad, bad for you
                  G
You know I got it bad, bad, bad, bad
Em              Am   D
Bad, bad, bad for you

               G
I like 'em tall, I like 'em smart
             Em
I like 'em all, it breaks my heart
               Am
I don't say eenie meenie miney mo
D
Found the one, can't let her go
       G
And she's my little angel
       Em
Her halo made of mistletoe
     Am
And careful cause she's dangerous
                 D
Keeps strings on me, Pinocchio
       G
It's bad, bad, for you, for you
Em
Bad, bad, for you, for you
Am
Someone call my mother
            D
Call the priest or call a lawyer
     G
Everybody in attendance
   Em
I do, I say it for ya
       Am
Cause one thing that I know
```
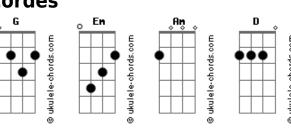

```
              D
I got it bad, bad for ya
          G                        Em
Ay mamacita, I'm pleased to meet ya
                Am
I like the way you walk and talk
              D
and all your features
              G                     Em
You got that smile, don't need no reason
           Am
I got it bad for you, girl,
           D
I think I need ya
                     G
You know I got it bad, bad, bad, bad
Em              Am   D
Bad, bad, bad for you
                     G
You know I got it bad, bad, bad, bad
Em              Am   D
Bad, bad, bad for you

          G                        Em
Ay mamacita, I'm pleased to meet ya
                       Am
I know I'm only 5 foot 8 but please
   D
believe ya
                     G
Boy gon' put it down, down
        Em                    Am   D
Down, down, down, down, down, down
             G            Em
Hey mamacita, my deepest fear
            Am
Is wasting time on all those girls
          D
that isn't real
                    G
But I keep 'em round, round
        Em                        Am     D
Round, round, round, round, round, round

                    G
You know I got it bad, bad, bad, bad
Em              Am      D
Bad, bad, bad for you
                    G
You know I got it bad, bad, bad, bad
Em              Am      D
Bad, bad, bad for you
                    G
You know I got it bad, bad, bad, bad
Em              Am      D
Bad, bad, bad for you
                    G
You know I got it bad, bad, bad, bad
Em              Am   D   G
Bad, bad, bad for you
```
