Intro: G C G C
Two months have faded in the autumn sun
G
                              С
Through times that I could barely breathe
                      С
G
We found a way to let the days unfold
G
                      С
We tell each other what we need
G
               С
Oh..... but it seems
                         D
      G
I don't care where the hours go
    Em
          С
I can live in the great unknown
     G
As long as I have you
       D
                        Em C
As long as I have you, I'm home
                  С
G
```

I pace in circles to erase the stars
