

# Imaginary Future - Fire Escape

Tom: G  
Intro: 2x: G C D

There's a <sup>G</sup> fire escape  
At the end of the gate where I am standing <sup>D</sup>  
There's a <sup>G</sup> ladder that goes  
To a safe place below on the ground <sup>D</sup>  
But I don't need it now  
It's too soon to go down to the bottom <sup>D</sup>  
I will wait 'til it's close  
When I'm needing it most  
When I'm scared <sup>D</sup>

(Bridge)

I will look out into the starred sky <sup>C D</sup>  
With your <sup>Em</sup> help now, I will be all right <sup>C D</sup>

(Chorus)

<sup>G</sup> Oh, my future, I can't believe it's time <sup>C</sup>  
<sup>G</sup> No, my lover, I'll never leave you behind <sup>D</sup>  
<sup>G</sup> Oh, my future, I can't believe it's time <sup>C</sup>  
<sup>G</sup> No, my lover, I'll never leave you behind <sup>D</sup>

(G C D)

There's a <sup>G</sup> pattern of stones  
Laying out in a row by the river <sup>D</sup>  
We have <sup>G</sup> started to climb  
With a hand on the side of the wall <sup>D</sup>  
But I'm <sup>G</sup> too stunned to call  
And hoping it all will be over <sup>D</sup>  
With the <sup>G</sup> radio on  
With the <sup>C</sup> waterfall gone  
We will go <sup>D</sup>

(Bridge)

I will look out into the starred sky <sup>Em C D</sup>  
With your <sup>Em</sup> help now, I will be all right <sup>C D</sup>

(Chorus)

<sup>G</sup> Oh, my future, I can't believe it's time <sup>C</sup>
