[Refrão]

I've been burnin' those candle ends  
I've been makin' some coolest friends  
I've been livin' my bestest life  
Yeah, I'm livin' my bestest life  
I don't give a damn what they say  
I woke up and I'm A-0-K  
I've been livin' my bestest life  
Yeah, I'm livin' my bestest life

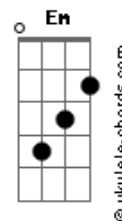

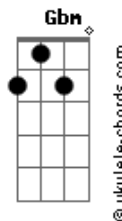

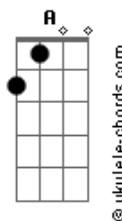

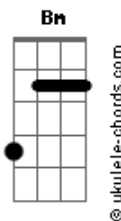

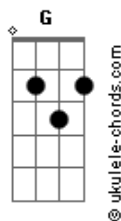

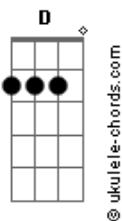

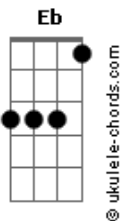

[Primeira Parte]

I remember bein' young  
I remember bein' young and in love and everything was fun  
Then there was responsibility  
Th?n you lose your friends and you find some ?nemies  
I remember simple days  
I remember playin' cops and robbers in the yard  
I remember bein' soft and young and now I'm hard  
And now I got bills to pay pilin' up

But lately  
Something in the air got me thinkin'  
That maybe  
I should take my life more seriously
