tom:

Intro: Gb Bbm Ab Gb

Patience only gets you so far Blood will get you further  
Pain will only make your heart hard Tossed in fury's weather  
Innocence is beautiful to see  
Won't you box it up for me? (For me)  
Ab Bbm  
For me

Oh, give me strength, and give me peace  
Does anyone out there want to hear me?

It's just another downpour, don't let it get the best of you

It's only up from the floor, light everything inside of you  
Don't burn out, don't burn out on me  
Don't burn out, don't burn out on me

Sadness is my enemy  
I fear time will age him gently  
Walking by my side for all these years  
Seems that we've grown friendly  
Happiness is beautiful to see  
Won't you box it up for me? (For me)

Ab Bbm  
For me

Oh, give me strength, and give me peace  
Does anyone out there want to hear me?

It's just another downpour, don't let it get the best of you

It's only up from the floor, light everything inside of you  
Don't burn out, don't burn out on me  
Don't burn out, don't burn out on me

It's just another downpour

It's just another downpour

I won't give up  
I won't give up  
I won't give up  
I won't

It's just another downpour, don't let it get the best of you

It's only up from the floor, light everything inside of you  
I don't wanna let you go, I don't wanna let you go  
Don't burn out, don't burn out on me  
I don't wanna let you go, I don't wanna let you go  
Don't burn out, don't burn out on me
