

# Imagine Dragons - Cover Up

Tom: C

<sup>C</sup>  
 There's lights that line these halls  
 That beckon us to stay  
 A glimmer in the distance  
 That gathers all the stray  
 And when I need it most  
 It breaks into a song  
 That runs through all my veins  
 And helps me to hold on

<sup>Am</sup>  
 Ohhhhhh  
<sup>F</sup>  
 Ohhhhhh- Oh- Oh

It was a long night  
<sup>C Dm Am</sup>  
 We ran along into the spotlight  
<sup>C Dm Am</sup>  
 You sang a song that made the children cry  
<sup>C Dm Am C Dm Am</sup>  
 And all the people knew my name

It was a bright light  
<sup>C Dm Am</sup>  
 These lands combine into a great big mass  
<sup>C Dm Am</sup>  
 We sang along to the very last  
<sup>C Dm Am C Dm Am</sup>  
 Oh, the jury stole my fame

<sup>Am</sup>  
 And then we grabbed the sun  
<sup>G</sup>  
 And it shined into these eyes  
 Believe me

<sup>Am F</sup>  
 Cover up, rain down  
<sup>C</sup>  
 We wept on the edge of this town  
<sup>Am F C</sup>  
 It's all I want it's all we want tonight  
 I feel it  
<sup>Am F</sup>  
 Cover up, rain down  
<sup>C</sup>  
 We wept on the edge of this town  
<sup>Am F C</sup>  
 It's all I want it's all we want tonight

<sup>C Dm Am C Dm Am</sup>  
 Ohhhhhhhhhh, you look so alive

<sup>C Dm Am</sup>  
 D|-D-D-did you think that we'D cry tonight?  
<sup>C Dm Am</sup>  
 Oh, did you think we'd cry?  
<sup>C Dm Am</sup>  
 Oh, can you feel my heart?  
<sup>C Dm Am</sup>  
 I think I feel it, too  
<sup>C Dm Am</sup>  
 D|-D-D-did you think that we'D die tonight?  
<sup>C Dm Am</sup>  
 Oh, did you think we'd die?

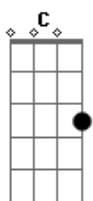

<sup>Am</sup>  
 And then we grabbed the sun  
<sup>G</sup>  
 And it shined into these eyes  
 Believe me

<sup>Am F</sup>  
 Cover up, rain down  
<sup>C</sup>  
 We wept on the edge of this town  
<sup>Am F C</sup>  
 It's all I want it's all we want tonight  
 I feel it  
<sup>Am F</sup>  
 Cover up, rain down  
<sup>C</sup>  
 We wept on the edge of this town  
<sup>Am F C</sup>  
 It's all I want it's all we want tonight

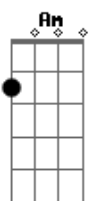

<sup>G|-Am-F x2</sup>  
<sup>G Am</sup>  
 Take my love, take it to the valley where the golden dove  
<sup>F G</sup>  
 Flies it to the places where the silence screams  
<sup>Am</sup>  
 Fills it with the noises of our cluttered dreams  
<sup>F</sup>  
 Ohhhhhh

<sup>Am F</sup>  
 Cover up, rain down  
<sup>C</sup>  
 We wept on the edge of this town  
<sup>Am F C</sup>  
 It's all I want it's all we want tonight  
 I feel it  
<sup>Am F</sup>  
 Cover up, rain down  
<sup>C</sup>  
 We wept on the edge of this town  
<sup>Am F C</sup>  
 It's all I want it's all we want tonight
