I suppose
 She's supposed to be
 Exactly what you want her to be
 So pretty and pink
 Necklace and ring
 To be heard is to be seen
 That's not who I am
 She said I can feel, I can feel too much
 And I wish I'd go away, go away
 Cause this is crushing me, it's crushing me
 Don't you know?
 That you don't have a say
 And the scarlet "A" on your neck
 So pretty in red
 Eyes are all dead
 What they haven't said
 Gets stuck in your head
 The silence is deafening

And your heart is bleeding out
 They don't care, no they never care at all, they never care at all
 That's not who I am
 She said I can feel, I can feel too much
 And I wish I'd go away, go away
 Cause this is crushing me, it's crushing me
 Crushing me, it's crushing me
 (Em G)
 She just wants to be free
 Take it or leave it
 Eyes, like the sunrise, colorful rainbow
 She said I can feel, I can feel too much
 And I wish I'd go away, go away
 Cause they're crushing me, crushing me (I can feel, I can feel too much)
 They're crushing me (I can feel, I can feel too much)
 Crushing me, crushing me, crushing on me
 [Final]
 (Em G)
 Crush down on me
