You know how we do **Em**

Em
 I want a new world without the order
Em
 I wanna resurrect and live a little shorter
Em
 I want it heavy
Em
 I want the fury
Em
 I want to beat it out the judge and the jury

Em **G** **C**
 From the outside, everything looks right
C
 From the outside, from the outside
Em **G** **C**
 From the outside, everything looks right
C
 From the outside, from the outside

Em **G**
 We are, we are the face of the future
C
 We are, we are the digital heartbeat
Em **G**
 We are, we are the face of the future
C
 We don't wanna change, we just want to change everything
Em **G**
 Aye, aye, aye, aye, digital, digital
C
 Aye, aye, aye, aye, digital heartbeat
Em **G**
 Aye, aye, aye, aye, digital, digital
C
 We don't wanna change, we just want to change everything
