

# Imagine Dragons - Dull Knives

tom:  
 Gb  
 I'm holding my breath, holding so tight  
 Nothing is wrong, nothing is right  
 I'm in the dark, looking for light  
 Won't someone please save my life?  
 Bb  
 Inside I'm a mess, but I don't let it show  
 I'm just hanging on, but you'll never know  
 I smile all day, and cry through the night  
 Won't someone, please, save my life?  
 It's fleeting  
 Gb Bb  
 Dull knives taking my life  
 A slow burn fire from the inside  
 Dull knives twisting my spine  
 They're taking their time, time  
 Till I lose my mind  
 Gb Bb  
 A smoldering flame, deep in my heart  
 Barely a sign, it's barely a spark  
 Holding on through, every night  
 Won't someone, please, save my life?

Bb  
 I'm crying for help, it's such a cliché  
 Invisible pain, it's filling each day  
 I open my mouth and feed you a lie  
 Won't someone, please, save my life?  
 It's fleeting, no repeating  
 Gb Bb  
 Dull knives taking my life  
 A slow burn fire from the inside  
 Dull knives twisting my spine  
 They're taking their time, time  
 Till I lose my mind  
 Gb Bb  
 Dull knives  
 Ripping from the inside  
 Spare me the ride  
 [Solo] Gb Bb Eb Db  
 From the inside  
 Dull knives twisting my spine  
 And They're taking their time, time  
 Till I lose my mind  
 Dull knives
