

# Imagine Dragons - Easy Come Easy Go

tom:

G

[Primeira Parte]

All my friends are gone, I don't blame them

I guess I'll move on, do the same thing

So I wrote a song to be my lullaby

Sing me to sleep at night, open my third eye

[Pré-Refrão]

I'm not gonna lie to you, I miss you so much

Tell me what I did wrong to lose touch?

I'm not gonna lie to you, this has been a hard year

Oh, I wish that you were here

[Refrão]

I just need to let it go, waiting on a miracle  
Guess that's just the way it goes, easy come, easy go

I just need to let it go, turn it down and lay low  
It's just the way it goes, easy come, easy go

[Segunda Parte]

Sometimes I drive a little too fast

Think I'm running from demons of my past

So I wrote a song to help me slow down

Keep my mind straight but it's a bit late

[Pré-Refrão]

I'm not gonna lie to you, I miss you so much

Tell me what I did wrong to lose touch?

I'm not gonna lie to you, this has been a hard year

Oh, I wish that you were here

[Refrão]

I just need to let it go, waiting on a miracle  
Guess that's just the way it goes, easy come, easy go

I just need to let it go, turn it down and lay low  
It's just the way it goes, easy come, easy go

I just need to let it go (I just need to let it go), waiting  
on a miracle (Waiting on a miracle)

Guess that's just the way it goes (Guess that's just the way  
it goes), easy come, easy go

G Bm

I just need to let it go (I just need to let it go), turn it  
down, and lay low (Low)

Em C

It's just the way it goes (It's just the way it goes), easy  
come, easy go

[Ponte]

Remember when you got sick, cancer of the bone

Everyone at school while you sitting at home

In your wheelchair of grief, find no relief

We were there for the ups and downs and there for the constant  
rounds of chemo

Yeah, you know that you are our hero

You were there when I was a zero

And I swear I'll make things right before the long night

Swear I'll make things right, tomorrow

But as for tonight

[Refrão]

I just need to let it go (I just need to let it go), waiting  
on a miracle (Waiting on a miracle)

Guess that's just the way it goes (Guess that's just the way  
it goes), easy come, easy go

I just need to let it go (I just need to let it go), turn it  
down, and lay low (Low)

It's just the way it goes (It's just the way it goes), easy  
come, easy go

I just need to let it go (I just need to let it go), waiting  
on a miracle (Waiting on a miracle)

Guess that's just the way it goes (Guess that's just the way  
it goes), easy come, easy go

I just need to let it go (I just need to let it go), turn it  
down, and lay low (Low)

It's just the way it goes (It's just the way it goes), easy  
come, easy go

[Final]

I just need to let it go (I just need to let it go), waiting  
on a miracle (Waiting on a miracle)

Guess that's just the way it goes (Guess that's just the way  
it goes), easy come, easy go

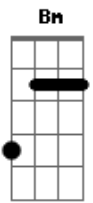

I just need to let it go (I just need to let it go), turn it  
down, and lay low (Low)

It's just the way it goes (It's just the way it goes), easy  
come, easy go
