

Imagine Dragons - Follow You

Capostrate na 2ª casa

You know I got your number all night
I'm always on your team, I got your back alright
Taking those taking those losses if it treats you right
I want to put you into the spotlight
If the world would only know what you've been holding back
Heart attacks every night
Oh you know it's not right
I'll follow you way down wherever you may go
I'll follow you way down to your deepest low
I'll always be around wherever life takes you
You know I'll follow you

Call you up, you've been cryin' cryin' all night
You're only disappointed in yourself alright
Taking those taking those losses if it treats you right
I want to put you into the sunlight
If the world would only know what you've been holding back
Heart attacks every night
Oh you know it's not right

I'll follow you way down wherever you may go

I'll follow you way down to your deepest low
I'll always be around wherever life takes you
You know I'll follow you

(D G Em)

You know I'll follow you

Wherever life takes you, you know I'll follow you

She's not the type to give herself enough love
She live her life, hand in a tight glove

I wish that I could fix it, I could fix it for you
But instead I'll be right here comin' through

(D G)

(Right here, comin' through)

(Am D G Em)

I'll follow you way down wherever you may go
I'll follow you way down to your deepest low
I'll always be around wherever life takes you
You know I'll follow you

(D G Em)

You know I'll follow you

Wherever life takes you, you know I'll follow you
