

# Imagine Dragons - Gold

Tom: C

Am F  
Fast comes the blessing of all that you dreamed  
Am F  
But then comes the curses of diamonds and rings  
Am F  
Only at first did it have its appeal  
Am F  
But now you can't tell the false from the real

Am F  
Who can you trust? Who can you trust?

Am  
When everything, everything, everything you touch turns to  
gold, gold, gold.

C Dm  
Everything, everything, everything you touch turns to gold,  
gold.

Am F  
Gold.

Am F Am F

Am F  
Statues and empires are all at your hands

Am F  
Water to wine and the finest of sands

Am F  
When all that you have's turnin' stale and it's cold

Am F  
Oh, you no longer fear when your heart's turned to gold

Am F  
Who can you trust? Who can you trust?

Am F  
When everything, everything, everything you touch turns to  
gold, gold, gold.

Everything, everything, everything you touch turns to gold,  
gold.

Am F Am F  
I'm dying to feel again Oh, anything at all.
