

# Imagine Dragons - Higher Ground

tom:  
 Eb (forma dos acordes no tom de C )  
 Capostrate na 3ª casa

I know when my day will come  
 Go back to the place where I came from  
 Lookin' back will I think that I did the right?  
 I still don't sleep at night  
 I got these symphonies  
 Stuck in my head

And they don't leave  
 Fillin' up the silence with these notes  
 I don't want them to go

Ghosts follow me around these days  
 Haunting my head and house  
 My mind is crazy loud  
 But I won't give in to it  
 Take it all in stride

This life is such a ride  
 I live until I die  
 I walk into the fire  
 I'm searching for the higher ground

What a life  
 I live until I die  
 Won't fail unless I try  
 I'm searching for the higher ground

I've got that golden gun  
 I was born as the seventh son  
 Everything comes with conditions  
 Everyone's got their dirty dishes  
 I've got these memories  
 Stuck in my head, and they won't leave  
 Filling up my treetops with these crows  
 I wish that they would go

This life is such a ride  
 I live until I die  
 I walk into the fire  
 I'm searching for the higher ground

What a life  
 I live until I die  
 Won't fail unless I try  
 I'm searching for the higher ground  
 This life is such a ride  
 I live until I die  
 I walk into the fire  
 I'm searching for the higher ground  
 What a life  
 I live until I die  
 Won't fail unless I try  
 I'm searching for the higher ground  
 Get it, got it, want it  
 Tell me what to do, and I'm on it  
 I am the witness  
 The genesis  
 The reason  
 Get it, got it, want it  
 Tell me what to do, and I'm on it  
 I am the witness, the witness, the witness  
 (The witness, the witness, the witness)

This life is such a ride  
 I live until I die  
 I walk into the fire  
 I'm searching for the higher ground

What a life  
 I live until I die  
 Won't fail unless I try  
 Bleeding, keep on breathing  
 Higher ground

Hey, hey  
 Higher, higher  
 Higher, higher ground  
 Higher ground

Hey, hey  
 Higher, higher  
 Higher, higher ground
