

# Imagine Dragons - In Your Corner

tom:

Abm (forma dos acordes no tom de Em )

Capostrate na 4ª casa

Intro: Em Bm C G

[Primeira Parte]

Woke up to the phone, wanna see your name  
 Taking some space and I'm all to blame, alright  
 Alright, alright  
 Used to pick you up every afternoon  
 Spin you around every single room, alright  
 Alright, alright

[Pré-Refrão]

How can it feel so good?  
 And feel so bad?  
 Misunderstood  
 And I can't take it back now  
 Just like I knew you would  
 You turn your back  
 And now we're here  
 And it fades to black

[Refrão]

Tell me I'm right, tell I'm wrong  
 Did you know I been here all along  
 In your corner, in your corner?  
 Stayin' up late, playing our song  
 Did you know I been here all along  
 In your corner, in your corner?  
 Ayy, ayy, yeah (Hold on, hold on)  
 (Keep your hands up)  
 Ayy, ayy, yeah (Hold on, hold on, alright, alright)  
 (Keep your hands up)

[Segunda Parte]

Gonna search this room 'til I find a pill  
 Gonna rinse this down, everything I feel, alright  
 Tonight, alright  
 Gonna burn this down ev'ry sober day  
 Gonna blow this high, throw it all away, alright  
 Alright, alright
