

Imagine Dragons - Look How Far We've Come

tom:

Intro: **B** **Gb** **B** **Gb**
Gb **B** **Abm** **B**
Gb **B** **Abm** **B**

Gb **B**
Take me on a whim
Abm
It's not the sun that provides us
B
It's not the moon that divides us
Gb **B**
I can barely swim
Abm
And the current's coming in
B
And the current's coming in again

Gb
Stand up when you hear your name
B
Because I think that we're the same
Abm
We've got the same old hands
B
We've made the same old plans
Gb
Bail out to the yellow raft
B
It's got a hole, but we can last
Abm **B**
We'll watch until it fades away

Gb
Time to take it over
Abm
Look how far we've come
B
Some were never meant to come around
B
Some were never meant to leave the ground
Gb
Time to take it over
Abm
Look how far we've come
B
Some were never meant to come around
B
Some were never meant to leave the ground

Gb
Ebm **Db**
Stop right there I've got a hole inside my chest
B **Db**
Until it fills up, I won't be satisfied
Ebm **Db**
Stop right there I've got a hole inside my chest
B **Db**
Until it fills up, I won't be satisfied
Ebm **Db**
Stop right there I've got a hole inside my chest
Ebm **B**
Until it fills up...

Gb
Time to take it over
Abm
Look how far we've come
B
Some were never meant to come around
B
Some were never meant to leave the ground
Gb
Time to take it over
Abm
Look how far we've come
B
Some were never meant to come around
B
Some were never meant to leave the ground

Gb **B** **Abm** **B**
Gb **B** **Abm** **B**

Gb **B**
I've been painted gin
Abm
It's not the color I came in
B
It's not the shirt that I stain in
Gb **B**
Hang me on a limb
Abm
And the current's coming in
B
And the current's coming in again

Gb
Stand up when you hear your name
B
Because I think that we're the same

Abm **B**
Ebm **Gb** **B**
