Gb B
Take me on a whim
Abm
It's not the sun that provides us
B
It's not the moon that divides us
Gb B
I can barely swim
Abm
And the current's coming in
B
And the current's coming in again

Gb
Stand up when you hear your name
B
Because I think that we're the same
Abm
We've got the same old hands
B
We've made the same old plans
Gb
Bail out to the yellow raft
B
It's got a hole, but we can last
Abm B
We'll watch until it fades away

Gb
Time to take it over
Abm
Look how far we've come
B
Some were never meant to come around
B
Some were never meant to leave the ground
Gb
Time to take it over
Abm
Look how far we've come
B
Some were never meant to come around
B
Some were never meant to leave the ground

Gb B
I've been painted gin
Abm
It's not the color I came in
B
It's not the shirt that I stain in
Gb B
Hang me on a limb
Abm
And the current's coming in
B
And the current's coming in again
