

# Imagine Dragons - Love

tom:

**C**

It's been a long time coming, coming

Seeming like we all been running, running

Feeling like the wild west, gunning, gunning

Listen to our elders shunning, shunning

Flipping on the news, be talking, talking

All about the problems, shocking, shocking

We put on our headphones walking, walking

We put on our headphones

Where did we all go wrong?

Love, love, love, love

Lo-lo-lo-love, love, love

Lo-lo-lo-love, love, love

Where did we all, where did we all go wrong?  
(Lo-lo-lo-love, love, love)

All I see is faces, color, color

All the other races, other, other

Why couldn't you just be my brother, brother?

We don't have to kill one another, kill one another

All around the world, we are one, we are one

All around the world, we are one

Where did we all go wrong?

Love, love, love, love

Lo-lo-lo-love, love, love

Lo-lo-lo-love, love, love

Where did we all, where did we all go wrong?  
(Lo-lo-lo-love, love, love)

Love, love, love, love (Darkness control the dark)

Lo-lo-lo-love, love, love (Love is our only hope)

Lo-lo-lo-love, love, love

Lo-lo-lo-love, love, love

Where did we all, where did we all go wrong?  
(Lo-lo-lo-love, love, love)

'Cause we got the same blood, blood

We got the same blood, blood

Will it be enough, enough?

Will it be enough?

We got the same heartbeat

We're living for the same dreams

We got the same bloodstream

Where did we all go wrong?

Woooooooooo oooh oooh

Where did we all, where did we all?

Where did we all, where did we all?

Where did we all, where did we all?

Where did we all, where did we all go wrong?

## Acordes
