

Imagine Dragons - Machine

Tom: **E**
Intro: **E**

(**E**)

All of my life

I've been sitting at the table

Watching them kids their living in a fable

Looks, luck, money and never left a'wishin

But now it's about time to raise up and petition

Looks, luck, money and never left a'wishin

But now it's about time to stand up and petition

[Refrão]

E

Cause I've been wondering

When you're gonna see I'm not for sale

I've been questioning

When you're gonna see I'm

Dbm **A** **E**

Not a Part of your machine

Dbm **A** **E**

Not a Part of your machine

I am the machine

I am the machine

Not a Part of your machine

[Terceira Parte]

(**E**)

I'm not scared of what you're gonna tell me

No I'm not scared of the beast in the belly

Fill my cup with endless ambition

And paint this town with my very own vision

E

I'm not scared of what you're gonna tell me
