

Imagine Dragons - Nothing Left To Say

Tom: C
Intro: Am F C G

Am Who knows how long I've been awake now?
F The shadows on my wall don't sleep
C They keep calling me
E Beckoning...
Am Who knows what's right? The lines keep getting thinner
F My age has never made me wise
C But I keep pushing on and on and on and on

Am There's nothing left to say now
F There's nothing left to say now
C I'm giving up, giving up, hey hey, giving up now
E I'm giving up, giving up, hey hey, giving up now

Am Below my soul I feel an engine
F Collapsing as it sees the pain
C If I could only shut it out
Am I've come too far to see the end now

F Even if my way is wrong
C I keep pushing on and on and on and on
Am There's nothing left to say now
F There's nothing left to say now
C I'm giving up, giving up, hey hey, giving up now
E I'm giving up, giving up, hey hey, giving up now

Am I keep falling, I keep falling down
F I keep falling, I keep falling down
Am I keep falling, I keep falling down
F I keep falling, I keep falling down
C If you could only save me
E I'm drowning in the waters of my soul

Am There's nothing left to say now
F There's nothing left to say now
C I'm giving up, giving up, hey hey, giving up now
E I'm giving up, giving up, hey hey, giving up now
