

# Imagine Dragons - Pistol Whip

Tom: F

I can see clearly, I can see clearly  
 What you mean

[Verso]

Oh my dear it's a pistol whip to my  
 Broken head and the stars are spinning  
 So I pick one up and put it on my shoulder  
 Look look look

You're a world class case I'll punch my stomach  
 All the people see me rolling over  
 With my hand on my shoulder, oh with a star like I told ya  
 Pace pace pace

[Refrão]

Pistol whip, I'm bleeding a bit  
 But I'll pop your bubble, let's talk it over  
 Count your loss, but being a killer  
 Stars on my shoulder, holding you over  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh  
 Oh oh oh oh

I can see clearly, I can see clearly 3x:  
 What you mean

[Verso]

Shadow soar and breathing heavy  
 I fall four flights up, halfway steady  
 With my hand on my shoulder, oh with a star like I told ya  
 Look look look  
 Imma take ten steps and close my eyes  
 Turn around and draw to my surprise  
 I clutch my heart and scream YEEHAAW!  
 Pace pace pace

[Refrão]

Pistol whip, I'm bleeding a bit  
 But I'll pop your bubble, let's talk it over

Count your loss, but being a killer  
 Stars on my shoulder, holding you over  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh

[Ponte]

I don't want to hear the words leave your lips  
 Love's lyrics leave you missing life  
 Tell yourself a lie and look through the crosshair  
 Tie that blindfold tight  
 I don't want to leave the puzzle, I'm done I got (a lot)  
 I got a lot to, a lot lose  
 I don't want to leave the puzzle, I'm done I got (a lot)  
 I got a lot to, a lot to hear  
 I don't want to hear you say you believe when you don't!

[Refrão]

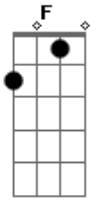

Pistol whip, I'm bleeding a bit  
 But I'll pop your bubble, let's talk it over  
 Count your loss, but being a killer  
 Stars on my shoulder, holding you over  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh  
 Oh oh oh oh

[Refrão]

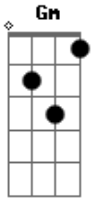

Pistol whip, I'm bleeding a bit  
 But I'll pop your bubble, let's talk it over  
 Count your loss, but being a killer  
 Stars on my shoulder, holding you over  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh  
 Oh oh oh oh oh oh
