

# Imagine Dragons - Second Chances

tom:  
 Capotraste na 3ª casa

Older than water, stubborn as stone  
 There'll be no forgiveness for all that you've known  
 Oh these days, oh these days get heavy  
 Hotter than friction, subtle as sound  
 There'll be no forgiveness when you come around  
 Oh these days, oh these days get heavy

I get older and life fades  
 But you remain

Open up again, I believe in second chances  
 Please let me in, oh I believe in second chances  
 I won't break you, I will not let you down  
 Open up again, I believe in second chances

Quicker than lightning, whiter than bone  
 If you can erase it, then I can atone  
 Oh these days, oh these days get heavy

I get older and life fades  
 But you remain
