

Imagine Dragons - Second Chances

tom:
 Capotraste na 3ª casa

Older than water, stubborn as stone
 There'll be no forgiveness for all that you've known
 Oh these days, oh these days get heavy
 Hotter than friction, subtle as sound
 There'll be no forgiveness when you come around
 Oh these days, oh these days get heavy

I get older and life fades
 But you remain

Open up again, I believe in second chances
 Please let me in, oh I believe in second chances
 I won't break you, I will not let you down
 Open up again, I believe in second chances

Quicker than lightning, whiter than bone
 If you can erase it, then I can atone
 Oh these days, oh these days get heavy

I get older and life fades
 But you remain

Open up again, I believe in second chances
 Please let me in, oh I believe in second chances
 I won't break you, I will not let you down
 Open up again, I believe in second chances
