 Capotraste na 1ª casa
 Intro: Am Dm E

[Primeira Parte]

Am
 Trouble
 Blood is in the rocky waters
 Hide away your sons and daughters

Eat you alive
 Am
 Levels
 Better put your head on swivels
 Dancin' with the very devil

Butter to knife

[Pré-Refrão]

You think you're better than them
 Better than them
 You think they're really your friends

Really your friends
 But when it comes to the end
 To the end
 You're just the same as them

Same as them

[Refrão]

So l?t it go, let it go
 That's the way that it goes
 First you'r? in, then you're out

Everybody knows
 You're hot, then you're cold
 You're a light in the dark
 Just you wait and you'll see
 That you're swimmin' with sharks

[Pós-refrão]

Dm
 He's comin' to get you
 Chick, chicka, woo, woo

He's comin' to get you, get

Woo

[Segunda Parte]

Am

 Drownin', you're seein' doubles

Don't you let them see your struggles

Hidin' your tears

Take advantage of your niceness
 Cut you up in even slices

Prey on your fears
