

Imagine Dragons - The Fall

Tom: Db

(com acordes na forma de Capotraste na 1ª casa C)

Maybe i'm broken

Maybe i'm wrong

I could've spoken sooner than i should have

Only the good die old

That's what they told me

But i don't know

Maybe i'm breaking up with myself

Maybe i'm thinking i should just keep

To the things that i've been told

Wait for the colors to turn to gold

Do you know

Do you know

You're all i know

You're all i know

When everything

Comes crashing down

You're all i know

You're all i know

I'm ready for the fall

I'm ready for everything that i believed in to drift away

Ready for the leaves

Ready for the colors to burn to gold

And crumble away

(C Em Am F)

Maybe i'm destined to be distraught

Always a reason

Breaking me down to my knees in the

Dead of night

I keep on praying to see the light

Maybe i'm breaking up with myself

Em

Maybe i'm thinking i should just keep

To the things that i've been told

Wait for the colors to turn to gold

Do you know

Do you know

You're all i know

You're all i know

When everything

Comes crashing down

You're all i know

You're all i know

Do you know

Do you know

You're all i know

You're all i know

When everything

Comes crashing down

You're all i know

You're all i know

I'm ready for the fall

I'm ready for everything that i believed in to drift away

Ready for the leaves

Ready for the colors to burn to gold

And crumble away

(C Em Am F) 6x

You were the one (x3)

Who helped me see

You were the one (x2)

Oh you gave it all to me

I'm ready for the fall

Ready for the leaves

Ready for the colors to

Burn to gold and crumble away
