

# Imagine Dragons - The Unknown

Tom: F

Woman help me  
 You turn my head in circles  
 Mama blessed me  
 With magnet eyes for purple  
 Oh so let me show you something good  
 Pastor, preacher  
 I want to say i'm sorry  
 Nice to meet ya  
 I think my eyes are starry  
 Pledge allegiance to my only  
 Sooner or later it all comes around  
 Hopefully then i will see  
 After the people and places are gone  
 You will come back, you will come back to me, to me, to me

You will come back to me, to me, to me  
 Auntie mara i think you know my reasons  
 I was a product of everything in season  
 Oh so heavy  
 Set me free again  
 Oh my papa  
 If all the world could know you  
 You could stop a thousand wars across the globe  
 Oh i miss ya  
 Show them something good  
 Sooner or later it all comes around  
 Hopefully then i will see  
 After the people and places are gone  
 You will come back, you will come back to me, to me, to me  
 You will come back to me, to me, to me
