

Imagine Dragons - The Unknown

Tom: F

Woman help me
 You turn my head in circles
 Mama blessed me
 With magnet eyes for purple
 Oh so let me show you something good
 Pastor, preacher
 I want to say i'm sorry
 Nice to meet ya
 I think my eyes are starry
 Pledge allegiance to my only
 Sooner or later it all comes around
 Hopefully then i will see
 After the people and places are gone
 You will come back, you will come back to me, to me, to me

You will come back to me, to me, to me
 Auntie mara i think you know my reasons
 I was a product of everything in season
 Oh so heavy
 Set me free again
 Oh my papa
 If all the world could know you
 You could stop a thousand wars across the globe
 Oh i miss ya
 Show them something good
 Sooner or later it all comes around
 Hopefully then i will see
 After the people and places are gone
 You will come back, you will come back to me, to me, to me
 You will come back to me, to me, to me
 (F C)
