Intro: C Am C Am F

C Oh quiet down, I've had enough, I guess it's now or never.
C I've been around, I've settled up, I'll bolt soon or later.
C I took a photograph of me. When I was only nineteen.
C I looked a little lost at sea, I keep trying to find me.

C So pray for me brother. I need redemption

Am I'm just a man. A man on a mission

C F I want no trouble, I want no trouble, I want no trouble, I want no trouble

Pray for me sister, Give me a mention.

Am I got no faith, And oh did I mention

C F I want no trouble, I want no trouble, I want no trouble, I want no trouble

C Oh pack it up and hit the road, and only take my lighter.

C I've seen the glitz, I've seen the glam, but I prefer the pay dirt.

C Maybe you could save my soul,

C From all the things that I don't know.

C Maybe you could save my soul,

C From all the things that I don't know.
