

Imagine Dragons - Walking The Wire

Tom: E
 Do you feel the same when I'm away from you?
 Do you know the line that I'd walk for you?
 We could turn around or we could give it up
 But we'll take what comes
 Take what comes
 Oh the storm is raging against us now
 If you're afraid of falling then don't look down
 But we took the step or we took the leap
 And we'll take what comes
 Take what comes

Feel the wind in your hair
 Feel the rush way up here

We're walking the wire, love
 We're walking the wire, love
 We're gotta be higher, up
 We're walking the wire, wire, wire

There's nights we had that just walk away
 And there's tears we'll cry but those tears will fade
 It's the price we pay when it comes to love
 And we'll take what comes
 Take what comes

Feel the wind in your hair
 Feel the rush way up here

We're walking the wire, love
 We're walking the wire, love
 We're gotta be higher, up
 We're walking the wire, wire, wire

So look out down below
 Look out down below
 Look out down below
 Walking the wire, wire, wire
 So look out down below

Oh I'll take your hand when thunder roars
 And I hold you close, I'll stay the course
 I promise you from up above
 That we'll take what comes
 Take what comes
 Love

We're walking the wire, love
 We're walking the wire, love
 We're gotta be higher, up
 We're walking the wire, wire, wire

So look out down below
 Look out down below
 Look out down below
 Walking the wire, wire, wire
 So look out down below
