

Incubus - Anti-gravity

Tom: G
Intro: (play 3x)

(play 2x)

verse
Bm (strum throughout)

...tonight ...possible ...phone ...fly
...myself ...canopy ...phone ...be

On the last time through the verse, right before the chorus, Mike Einziger, their guitarist plays something that sounds like he's using a harmonics or octave effect. This is the best I can figure what it is he's playing, written for clean electric.

chorus
Bm A C7

(play 2x)

(repeat 4x, 2nd time through)
