 Intro:

Strange Guitar Riff with flanger/phaser effect

Kinda difficult to get timing on that riff. Just listen to cd to get it down.

Verse

After do chorus twice hit this chord

E-20\ -
 B-19\ -
 G-17\ -

Second part of verse

Do that 4 times

Then with phaser/delay

E-----
 B-----
 G---3~~3
 D---8~~8

Chorus 2x

Pm... Pm. Pm... Pm

Then with fast phaser

I think that is just about everything, listen to the cd to get down
 rhythms, and mess around with effects. Enjoy!
