Do that 4 times

Intro:  
Strange Guitar Riff with flanger/phaser effect

Then with phaser/delay  
E-----  
B-----  
G---3~~3  
D---8~~8

Kinda difficult to get timing on that riff. Just listen to cd to get it down.

Chorus 2x

Pm... Pm. Pm... Pm

Verse

Then with fast phaser

After do chorus twice hit this chord

E-20\  
B-19\  
G-17\  
-

I think that is just about everything, listen to the cd to get down rhythms, and mess around with effects. Enjoy!
