

Incubus - Hilikus

TABLATURE: Bass
 TABBED BY: James Trujillo

This is the first time I have ever tabbed anything before, so please bare with me if it seems a little confusing. The rythm for the song is hard to tab, but you should get the 5-string, but I tabbed this for a 4-string bass.

key:
 bend up ()
 slide up (\)
 slide down (/)
 hammer-on (>)

Intro: G-----5-----

 D----5-7----7-5-7---77-----
 A-----5-----12---12\-----
 E-----5---5/------

This part is kinda tricky. Dirk plays 3 hammer-ons back-to-back in a set of 4.

This part is where they do a little break in-between the verse. It's just the same as the original verse except with the break.

Verse (play 1x)

After you play the verse 1x, then it goes directly to the second

half of the original verse. If you listen to the cd, you'll know what I mean.

2nd half of verse
 G-----12-----12-----4-----
 D-----11>12---12-11---11\----5>7----7-5-7-----
 A-----
 E----5-----5-----

G----7-8--7-8-----
 D----7-8--7-8-----
 A----5-6--5-6-----
 E-----

Then after you play the 2nd half of the verse, you follow the order of parts listed below. Then the song basically goes in order the rest of the way after that. Except for the intro part which they use as a bridge for the guitar solo and a couple other different parts the bassist add's during the solo.
