Incubus Wish you were here lyrics Wish you were here I dig my toes into the sand $% \left(1\right) =\left(1\right) \left(1\right)$ The ocean looks like a thousand diamondS Strewn across THE blue PLAIN I lean against the wind

Pretend that I am weightless And in this moment I am happy(happy) I wish you were here I lay my head onto the sand The sky resembles a backlit canopy With holes punched in it I'M counting UFOS I signal them with my lighter And in this moment I am happy(happy) I wish you were here I wish you were here I wish you were here Wish you were here The world's a roller coaster And I am not strapped in Maybe I should hold with care But my hands are busy in the air saying: I wish you were here I wish you were I wish you were here I wish you were here I wish you were here Wish you were here
