Tom: C

<sup>G</sup>  
You & I are like oil & water  
<sup>Em C Em C Em C</sup>  
& we've been trying, trying, trying  
<sup>F C G</sup>  
ohhhhh, to mix it up.  
<sup>G</sup>  
We've been dancing on a volcano  
<sup>Em C Em C Em C</sup>  
& we've been crying, crying, crying  
<sup>F C G</sup>  
over blackened souls.  
<sup>F</sup>  
Babe, this wouldn't be the first time.  
<sup>Em</sup>  
It will not be the last time.  
<sup>Eb G</sup>  
There is no parasol that could shelter this weather.  
<sup>G</sup>  
I been smiling with anchors on my shoulders  
<sup>Em C Em C Em C</sup>  
But I've been dying, dying, dying  
<sup>F C G</sup>  
ohhh, ohhh, oh to let them go.  
<sup>F</sup>

Babe, this wouldn't be the first time.  
<sup>Em</sup>  
It will not be the last time.  
<sup>Eb G</sup>  
There is no parasol that could shelter this weather.  
<sup>F</sup>  
Babe, this wouldn't be the first time.  
<sup>Em</sup>  
It will not be the last time.  
<sup>Eb C B Bb A</sup>  
We were trying to believe everything would get better.  
  
( G G G G )
