 & we've been crying, crying, crying

 Babe, this wouldn't be the first time.
^{Em}

 There is no parasol that could shelter this weather.

 I been smiling with anchors on my shoulders
 But I've been dying, dying, dying
^{F C G}
 ohhh, ohhh, oh to let them go.
^F

Babe, this wouldn't be the first time.
^{Em}
 It will not be the last time.
^{Eb G}
 There is no parasol that could shelter this weather.
^F
 Babe, this wouldn't be the first time.

 It will not be the last time.
