

# Incubus - Oil And Water

Tom: C

<sup>G</sup>  
 You & I are like oil & water  
 & we've been trying, trying, trying  
<sup>F C G</sup>  
 ohhhhh, to mix it up.  
<sup>G</sup>  
 We've been dancing on a volcano  
 & we've been crying, crying, crying  
<sup>F C G</sup>  
 over blackened souls.  
<sup>F</sup>  
 Babe, this wouldn't be the first time.  
<sup>Em</sup>  
 It will not be the last time.  
<sup>Eb G</sup>  
 There is no parasol that could shelter this weather.  
<sup>G</sup>  
 I been smiling with anchors on my shoulders  
 But I've been dying, dying, dying  
<sup>F C G</sup>  
 ohhh, ohhh, oh to let them go.  
<sup>F</sup>

Babe, this wouldn't be the first time.  
<sup>Em</sup>  
 It will not be the last time.  
<sup>Eb G</sup>  
 There is no parasol that could shelter this weather.  
<sup>F</sup>  
 Babe, this wouldn't be the first time.  
<sup>Em</sup>  
 It will not be the last time.  
<sup>Eb C B Bb A</sup>  
 We were trying to believe everything would get better.  
 ( G G G G )  
<sup>G C G</sup>  
 We been lying to each other  
<sup>G C Em C Em C Em C</sup>  
 Hey! Babe! Let's just call it, call it, call it  
<sup>F C G</sup>  
 Ohhhhhhhhhhh, what it is!  
<sup>G Am C</sup>  
 Oil & water!  
<sup>G Am C</sup>  
 Oil & water!  
<sup>G Am C</sup>  
 Oil & water!
