Incubus Warning lyrics  
bat your eyes girl,  
be otherworldly,  
count your blessings,  
seduce a stranger.  
whats so wrong with  
being happy?  
kudos to those who  
see through sickness.(yeah)  
over and over)x6  
she woke in the morning  
she knew that her life had  
passed her by."and she called out a warning,  
"dont ever let life pass you by."

I suggest we  
learn to love our selves  
before it's  
made illegal.  
when will we learn?  
when will we change?  
just in time to  
see in all fall down.  
those left standing...will make millions  
..writing books on the way it  
should have been.  
she woke in the morning  
she knew that her life had  
passed her by.  
and she called out a warning, warning  
"dont ever let life pass you by."

Floating in this  
cosmic jucuzzi  
we are like  
frogs oblivious  
(guitar solo)  
to the water  
starting to boil.  
no one flinches,  
we all float face down  
(guitar solo)  
she woke in the morning  
ohhhhhhhhhhhhhhh.  
she knew that her life had  
passed her by.  
and she called out a warning,warning  
"dont ever let life pass you byyyyye  
pass you byyyyye."
