Tom: F
Intro: D A G C (x4)
       (G C )

D           A                G        C
The time is right  I'm gonna pack my bags
D            A                  G     C
And take that journey down the road
    D            A           G             C
Cause over the mountain I see the bright sun shining
D            A                 G      C
And I want to live inside the glow
G   C
 Yeah

Dm            Am                  Bb
I wanna go to place where I am nothing and everything
Dm            Am                 Bb
That exists between every and nowhere
Dm           Am             Bb
I wanna go to a place where time has no consequence oh yeah
Dm      Am          Bb
The sky opens to my prayers

                Dm    A   C         A
I wanna go to beautiful  beautiful  beautiful  x4

D            A                G               C
Please understand  that it's not that I don't care
D                       A                   G     C
But right know these walls are closing in on me
D           A           G           C
I love you more than I love life itself
D                       A                  G      C
But I need to find a place were I can breathe
G        C
I can breathe

     Dm       Am               Bb
I wanna go to place were I can hold the intangible
       Dm     Am                   Bb
And let go of the pain with all my might
Dm          Am                       Bb
I wanna go to a place where I am suspended in ecstasy
Dm        Am                 Bb
Some where between dark and light
                Bb
Where wrong becomes right

                  Dm    A   C         A
I wanna go to beautiful  beautiful  beautiful  x4
     Dm
Beautiful
