

# India.Arie - Complicated Melody

Tom: F

If he were a color<sup>C</sup>  
 He'd be a deep dark forrest green<sup>F</sup>  
 If he were a car<sup>C</sup>  
 He'd be a long stretch limousine<sup>F</sup>  
 With room for all of humanity inside<sup>C</sup>  
 Cause he is so giving<sup>C</sup>  
 And he is so wise<sup>F</sup>  
 If he were a number<sup>F</sup>  
 He'd be a five cause he has such a brilliant mind<sup>C</sup>  
 If he were an animal<sup>F</sup>  
 He'd be an ass cause he's so stubborn sometime<sup>C</sup>  
 But if he were a song<sup>Bb</sup>  
 He'd be a complicated melody<sup>A</sup>  
 That complicated fellow he<sup>F</sup>  
 I almost can not sing it on key<sup>C</sup>  
 But he means the world to me<sup>F</sup>  
 If he were a building<sup>C</sup>

He'd be a beautiful cathedral<sup>C</sup>  
 Cause he's so traditionally spiritual<sup>F</sup>  
 If he were a dance<sup>C</sup>  
 He'd be complicated like the tango<sup>F</sup>  
 Exotic like a mango<sup>C</sup>  
 But if he were a song<sup>Bb</sup>  
 He'd be a complicated melody<sup>A</sup>  
 That complicated fellow he<sup>F</sup>  
 I almost can not sing it on key<sup>C</sup>  
 But he means the world to me<sup>F</sup>  
 He ain't the reason for the sun and the moon<sup>C</sup>  
 He is just the reason for this here tune<sup>Bb</sup>  
 Cause he means the world to me (ooh ooh ooh ooh ooh)<sup>F</sup>  
 Said he means the world to me<sup>C</sup>  
 Me me me yeah<sup>F</sup>  
 He means the world to me yeah<sup>C</sup>  
 Complicated melody that complicated fellow he<sup>F</sup>  
 He's a complicated melody<sup>F</sup>  
 Almost can not sing it on key
