

Infinity's Song - Slow Burn

tom:
 D
 Bm D

It's a long walk on a rainy day
 Bm A

It's the sad song that you put on replay
 Bm D

It's the distance between New York and LA
 Bm A

It's sitting alone in the back of a cafe
 Bm D

It's a slow burn for me
 Bm A

It's a slow burn for me
 Bm D

It's a slow burn for me
 Bm A

It's a slow burn for me
 Bm A

First kiss at 25
 Bm D

Cause you've always been too shy
 Bm A

It's the tears in your eyes as you break up from a fight
 Bm D

It's living on your own after kids and a wife
 Bm A

It's the question you ask in the middle of the night
 Bm D

It's a slow burn for me
 Bm A

It's a slow burn for me
 Bm D

It's a slow, slow burn
 Bm A

It's a slow, slow burn
 Bm D Bm A

It's a slow
 Bm D Bm A

It's a slow
 Bm D Bm A

It's a slow
 Bm

Keep it going till the morning
 D

And the flames they keep on burning
 Bm

This is your little light, I've stolen
 A

It's a slow, slow burn
 Bm

Keep it going till the morning
 D

And the flames they keep on burning
 Bm

This is your little light, I've stolen
 A

It's a slow, slow burn
