

## **Ingrid Michaelson - Parachute**

```
Tom: C
Intro: Am
I don't tell anyone about the way you hold my hand
I don't tell anyone about the things that we have planned
I won't tell anybody
Won't tell anybody
They wanna push me down they wanna see you fall down
Won't tell anybody that you turn the world around
I won't tell anyone that your voice is my favorite sound
I won't tell anybody
Won't tell anybody
They wanna see us fall they wanna see us fall down
I don't need a parachute, baby if I've got you
Baby if I've got you, I don't need a parachute.
You're gonna catch me, you're gonna catch if I fall
Down down down
Don't believe the things you tell yourself so late at night
You are your own worst enemy, you'll never win the fight
Just hold on to me, I'll hold on to you
it's you and me up against the world it's you and me
I don't believe anything, don't trust anyone anymore
But I believe you when you say we're never gonna fall
Hand behind my neck, arm around my waist
Never let me hit the ground, you'll never let me crash down
```
