

Ingrid Monttana - Heart In Overdrive

tom:
 E E
 That soft voice
 It's got the right tone
 You gotta earn it
 Gotta make it known
 Yeah, I can be fierce
 I can yell too
 I act according to what
 I'm goin' through
 I'm pure emotion
 My heart's like this
 Behind the strength
 There's a gentle twist
 [Refrão]
 E B
 When I'm mad
 I shout out loud
 I break things
 Let it all out
 Then I sit on the porch and laugh
 No doubt!
 E
 I ain't easy
 Gotta win my heart
 You gotta earn it
 It's a work of art
 Yeah, I love hard
 Give it all I've got
 But it's gotta be mutual
 Not just a thought
 I'm pure emotion
 My heart's like this
 Behind the strength

B
 There's a gentle twist
 [Refrão]
 E B
 When I'm mad
 I shout out loud
 I break things
 Let it all out
 Then I sit on the porch and laugh
 No doubt!

 When I'm mad
 I shout out loud
 I break things
 Let it all out
 Then I sit on the porch and laugh
 No doubt!
 Dbm
 When the storm's over
 And the anger's gone
 I'll hold you tight
 Whisper to you all night long
 I know I'm complicated
 That's just how I roll
 If you can handle me
 You'll see my best soul
 [Refrão]
 E B
 When I'm mad
 I shout out loud
 I break things
 Let it all out
 Then I sit on the porch and laugh
 No doubt!
