

Ingrid Monttana - Never Give Up

tom:

Intro: Gbm A E D
Gbm A E

Lost count
Of how many times
I cried
Alone
Wiped the tears
With my sweaty shirt
And tired voice
I cried!
But I don't give up
Always lift my head
Keep moving ahead
Tomorrow brings a new day

[Refrão]

Cry when you need
Scream if you please
But don't ever concede
Always strive to succeed!
Cry when you need
Scream if you please
But don't ever concede
Always strive to succeed!

[Solo]

Through the storms
And darkest nights
I held on tight
To hope's faint light
Pushed through the pain
And endless trials
With every step
Found strength to smile

[Refrão]

Acordes

Cry when you need
Scream if you please
But don't ever concede
Always strive to succeed!
Cry when you need
Scream if you please
But don't ever concede
Always strive to succeed!

So when you're weary
And feeling low
Remember, darling
You're not alone
Keep the faith
And carry on
In the end
You will have won

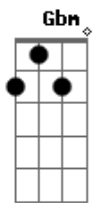

[Refrão]
