Capostrate na 1ª casa
Intro: G F G

Tell me something good
Tell me that you love me
Tell me something good
Tell me that you like it

Baby call me on the phone
When you're all alone
Before you count to three
I'll be down on bended knees
I want to makes you ooh
With the things I do
So tell me what you want
I'll do anything for you

Want good lovin'
Huggin' and squeezin'
Sweet romancin' and slow dancin'
24-7 round clock
Make you tic
Make you toc
Like a stroke of a clock
Tell me something good
No more talkin' loud
I want to make you moan
Ain't no pleasure making out

On the telephone
Another dollar or tell
I wanna be with you
So tell what you need
I'll do anything for you
I know you're looking for a lover
Yes put me to the test
De pon the work and just na jest
You better gimme your lovin'
Because me want it bad
Gimmie your lovin'
Me say me need it bad
Tell me something good
Baby call me on the phone
When you're all alone
Before you count to three
I'll be down on bended knees
I want to makes you ooh
With the things I do
So tell me what you need
I'll do anything for you
Gal your body good
Your body good like a gold
De pn the mic
And me lose control
Tell me something good
