**C**  
Abounds, all the feelings **Em**

**C**  
And she wept, hold me again, I made no sound, oh the beating **G**

Then we went over again, my head about, oh the feelings **G**

Be patient, she won't leave me shaking **G**

**G**  
Leave me shaking

I keep falling, maybe half the time, maybe half the time **Em**

I keep falling, maybe half the time, maybe half the time **Em**

My faith won't lie

But, my sweet, you don't need mine **G**

**Em**  
Come away and Just say you'll love me, just say you'll love me **G**
